

CORPORATE TAX

EFFICIENTLY MANAGE AND AUTOMATE YOUR TAX COMPLIANCE

No matter how well your accounting and ledger systems are managed, corporate tax typically requires hours of manual calculations, review, and cross checking. With the tax landscape constantly changing, correctly maintaining tax spreadsheets can take time, hard work, and may be prone to error.

ONESOURCE Corporate Tax enables you to run your tax compliance process more efficiently, reduce risk, and achieve greater accuracy and timelines – giving you and your team the time and tools necessary for strategic and value-adding activities.

ONESOURCE CORPORATE TAX BRINGS A VARIETY OF FEATURES FOR YOUR TAX DEPARTMENT:

- A straightforward and easy-to-use solution
- Secure web-hosted solution – access your data from anywhere
- Granular user security settings enables you to define individual user roles and access
- Manage complex group structures, including entities with different tax rates
- Automatically import source data from a wide range of sources in flexible formats
- Comprehensive tax workpapers for both tax returns and tax provision can be tailored for your specific reporting needs
- Quick and reliable processing with dynamic updates
- Review calculations on-line – using our strong audit trails and validations – and add your own notes and attachments
- Ability to electronically lodge the tax return in conjunction with Thomson Reuters SBR-compliant ONESOURCE E-Filing Manager
- Create your own management reports to analyse data from calculations
- Training, telephone, and email support in your local country
